### AIR BASES BULLETIN 3574

From: Commander  
To: Distribution List

Subj: INSTRUCTIONS FOR PISTOL REQUALIFICATIONS FOR PERIOD  
1 OCTOBER 2001 THROUGH 30 SEPTEMBER 2002

Ref: (a) MCO 3574.2J  
(b) StaO 3574.1

Encl: (1) Schedule and Quota Assignments for "KD" Sustainment  
Requalification Course (Brown Range)  
(2) Duties and Special Orders for Detail Personnel  
(3) Ammunition Roster Format

1. Purpose. To promulgate information and instructions for Marines stationed at Marine Corps Air Station (MCAS) Miramar relative to the conduct of Entry-Level Pistol qualification/qualification during Fiscal Year (FY) 02.

#### 2. Background

a. Marine Corps Air Bases Western Area (MCABWA) commands, and Marine Corps Recruit Depot, San Diego use Brown Range located aboard MCAS Miramar to conduct marksmanship training.

b. Pistol requalification is defined in this Bulletin as requalification firing with the M9 service pistol.

c. Personnel required to fire are listed in enclosure (2) of reference (a).

d. Pistol requalifications will be conducted at Brown Range. Quotas and dates for firing at the range will be coordinated through the appropriate G-3/S-3 training offices. All information concerning firing will be coordinated through the Brown Range Chief at 577-1788.

5 SEP 2001

e. Entry Level Pistol (ELP) qualifications will be conducted per the references.

f. Units will be responsible for ensuring that their pistol shooters attend preparatory training at 0730 on the Friday prior to the range detail. The senior member from each unit will account for all Marines from that unit. Senior members will have a range roster to submit to the Range Admin office upon arrival. Qualified range personnel will conduct this training at Brown Range. Marines that have not attended preparatory training (marksmanship classes; ELP's 1-11) and who have not dry fired (snap-in) prior to their arrival at the range will not be allowed to fire.

g. The FY02 Range schedule, quota allocations and supervisory safety personnel assignments are contained in enclosures (1) and (2). In order to ensure an even flow and to avoid transportation problems caused by excessive shooters range quotas will be strictly adhered to.

h. Pistol training was restructured to consolidate blocks. Pistol training (live fire) will be shot in a three (3) day period.

### 3. Information

a. Roster Submission. All firing units will call in or fax (call before faxing) the number of shooters on Monday the week prior to firing no later than (NLT) 1600. No changes will be made after 1500 on Thursday. If a Marine's name is not on the roster by 1500 the Thursday before the course commences, that Marine will not be allowed to fire. No pen changes to the rosters will be authorized. Rosters must be submitted in the outlined format as per enclosure (3).

b. Preparatory Training. All shooters (regardless of rank) will attend preparatory training (marksmanship classes, snap-in). This training will be conducted at Brown Range, Bldg. 1304, on the Friday prior to the firing week. All gear will be drawn, weapons issued and roll call will be conducted prior to preparatory training.

c. Preparatory Training for the Range. Shooters, assigned coaches and the senior member of each unit's firing detail will report to, and attend, all preparatory training. Coaches will report to preparatory training with white tape around their covers.

5 SEP 2001

d. Uniform, Weapons and Equipment

(1) Uniform. The utility uniform is the prescribed uniform. Flight suits may be worn if the Marine is in a flight status. Watchcaps are not authorized for wear during training. All uniform regulations will be adhered to in accordance with established uniform regulations.

(2) Service Pistol. M9 service pistol, cartridge belt with (1) M1 magazine pouch, (2) 9mm 15 round magazines, M12 holster and hearing protection (field jacket/wet weather gear as required). All gear will be worn in accordance with the BST manual.

e. Transportation. Unit training representatives are responsible for coordinating transportation for their shooters. Parking is limited. Units using the MCAS Miramar C-Pool for transportation must call 577-2156 NLT than Friday 0900 and provide them with the number of shooters requiring transportation. Buses will depart from the Miramar armory at 0630. During the firing week buses will depart on an hourly schedule until all relays are completed.

f. Armories. All MCABWA armories will open at 0445 and will issue weapons on an hourly schedule, dependant upon unit requirements. Armorers assigned to the detail will have the necessary tools, parts, and expertise to get pistols back into working order.

g. Messing and Water. No messing is available at the range. Box lunches will be necessary for the corpsman, armorer, and all coaches. Using units are responsible to coordinate delivery of boxed lunches for their personnel. Shooters should plan to bring a filled canteen to the range, as potable water is limited.

h. Schedule of Firing. ELP qualification will commence on Mondays. Training blocks 1 and 2 will be conducted on Monday. Training blocks 3 and 4 will be conducted on Tuesday. Training block 5 (qualification block) will be conducted on Wednesday.

i. Senior Member, Armorer and Corpsman. Senior member from each unit assigned to the range details will report to the range for the range brief at 1300 on the Wednesday prior to the firing week. Senior members will have ammunition rosters for this meeting. Armorers and Corpsman assigned to the range details will report to the Range Chief on the Friday prior to the firing week to receive reporting instructions.

j. Coaches. Coaches must be assigned the secondary MOS 8531/32 or qualify sharpshooter or expert. One (1) coach will be assigned for every two (2) targets. Quotas for coaches needed for each range detail are assigned in enclosure (1) of this bulletin. Coaches will report to the range NLT 0645 each day of the firing week to carry out their duties as outlined in enclosure (2). Coaches will report to preparatory training with white tape around their covers.

NOTE: The requirement for Headquarters and Headquarters Squadron (HQHQRON) Miramar to provide coaches has been reduced by one (1).

k. Corpsman. Corpsman will be assigned by the Naval Branch Medical Clinic, MCAS, Miramar in accordance with reference (b).

l. Recreational Firing

(1) Shooters must first request authorization and be scheduled by the Range Officer to conduct recreational firing.

(2) Shooters must sign a Release from Liability and Indemnity Form, which is available at the range.

(3) Any weapon brought aboard MCAS Miramar will be registered with Provost Marshal's Office (PMO).

(4) Report with a signed release form and weapons registration card to the armory for a courtesy Limited Technical Inspection (LTI) and obtain NAVMC 10245. LTI's must not be older than 90 days from the date the shooter intends to fire the weapon at the range.

(5) Upon presentation of the Release from Liability and Indemnity form, a completed NAVMC 10245, PMO weapons registration card and passage of a weapons handling and safety test, the individual may fire. Failure to demonstrate safe weapons handling will result in the shooters authorization to fire being revoked by the Range Officer.

m. Coordination. Questions regarding pistol requalification will be addressed to the Brown Range Chief at DSN 267-1788.

**5 SEP 2001**

4. Action

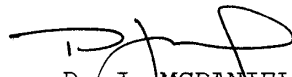

a. MCABWA and 3d MAW units will provide coaches. Units will comply with reference (b) regarding the assignment of personnel and personnel duties.

b. Unit Commanders, armorers, Corpsman and coaches will comply with reference (b) and enclosure (3) of this Bulletin regarding the assignment of personnel and personnel duties. Commanders will ensure personnel have a thorough understanding of this Bulletin prior to assignment.

c. Motor Transportation (C-Pool). Ensure adequate transportation is available for transportation of all shooters per the enclosures.

d. MCAS Miramar Dining Facility. Ensure adequate box lunches are available to all units, upon request.

5. Concurrence. The Commanding General, 3d Marine Aircraft Wing concurs with the provisions of this Bulletin.

  
D. J. MCDANIEL  
Chief of Staff

ENCLOSURE (1)

**5 SEP 2001**

Duties and Special Orders for Detail Personnel

**SPECIAL ORDERS FOR RANGE CORPSMAN**

1. The Range Corpsman will assist the Range Officer in the execution of range duties by providing medical support and first aid as needed. The Corpsman's duties will include, but are not be restricted to the following:

a. Report and remain under the direct control of the Range Officer until properly secured.

b. The Corpsman will be present on the firing line at all times when live fire is being conducted. The Corpsman will be located at the center of the range next to the tower.

c. The Corpsman will have all necessary medical supplies (prepared especially for gunshot wounds, heat exhaustion, sunstroke, snakebite treatment, etc.).

d. An evacuation vehicle will only be utilized to move a casualty if necessary to the patients' safety.

e. Ensure authorized sound suppressors properly protect every individual in the hearing hazard area by conducting a periodic visual inspection of all shooters on the firing line.

ENCLOSURE (2)

**5 SEP 2001**

Duties and Special Orders for Detail Personnel

DUTIES AND RESPONSIBILITIES OF THE RANGE COACH

1. The range coaches duties include, but are not limited to the following:

- a. Report to their assigned area at the prescribed time.
- b. Ensure that all Marines train in accordance with current directives.
- c. Ensure that Marines are not changed on the target or relay assignment, without authorization from the Line SNCO or Block NCO.
- d. Comply with all ammunition regulations.

2. Before firing

- a. Check in with Range Chief upon arrival at the range.
- b. Assist in range setup, e.g., raise range flags, set up pits, etc.
- c. Check personnel equipment, e.g, field jackets, rain gear, and shooting gear.

3. During firing

- a. Enforce safe weapons handling techniques.
- b. Observe the shooter, **not the target**.
- c. Detect errors in the application of marksmanship fundamentals.
- d. Brief Marines on the next stage of firing or the next days training block(s).
- e. Ensure Marines conduct a proper and thorough police call of all brass and trash within the confines of the range.
- f. Conduct an "Unload-Show Clear" of all Marines assigned to them on the firing line as directed by the Tower NCO.

ENCLOSURE (2)

ABBu1 3574  
**5 SEP 2001**

g. Turn-in any saved or damaged rounds to the Block NCO and make the declaration "I have no brass or live rounds in my possession at this time," prior to leaving the firing line.

NOTE: Coaches will also be responsible for preparing targets for use on qualification day.

ENCLOSURE (2)

**AMMUNITION ROSTER FORMAT**

1. Purpose. To ensure guidance for the proper formatting of submitted pistol range ammunition rosters for all supported units.
2. Responsibilities. The issuing training offices will ensure that all submitted pistol range ammunition rosters be submitted in the proper format as provided below:

**Brown Range Ammunition Roster**

Unit: H&HS  
 Detail No. 1

Firing Dates: 011001-011003

Target	Relay	Name (Last, F.I., M.I)	SSN	Unit	Fri	Mon	Tue	Wed
		Adams, T.K.	123456789	H&HS				
		Brown, S.D.*	123321123	H&HS				
		Erikson, M.L.	011223344	H&HS				

\* Denotes F.S.A.

a. Target and relay assignments will be designated by the range and distributed to the senior member of each unit's detail prior to the preparatory training being concluded.

b. Marines that are returning to the range due to their failure to qualify on a previous detail are known as Firing Second Attempt (FSA) shooters and will be designated with an asterisk by their name on the roster.

c. Rosters, once submitted to the range, **are not** subject to change after 1500 on the Thursday prior to Preparatory Training.

ENCLOSURE (3)
